ATTENTION RANGERS.

You are hereby notified to appear in Greensboro, N. C., on Friday the 15th instant. On that day the Company will organize by electing their officers. All must be present, or they will be reported to the military authorities of the Confederate States.

Each one should furnish himself with a good blanket, and such underclothing as may be needed for a campaign; also two days' rations.

As the Company is not yet full, those wishing to join it must apply immediately to me or to Messrs. J. & F. Garrett.

We will go into camp at this place, temporarily
